"It gives us a touch of elegance, quality, and simplicity. It's my favorite product. We use it in our entry level homes. We use the same product in luxury homes. I love the 100 Series."

- Miguel Gutierrez

GVS Design & Build

THE SMART ALTERNATIVE TO VINYL

The best way to give your customers a modern look on a budget

With dark colors that won't fade,* precision welded corners for a clean design, and all the benefits of vinyl but with far better performance, 100 Series windows and doors are a simple solution for almost any project.

Made with Fibrex® composite material

FOLDING OUTSWING DOORS

Large folding doors are an attractive and effective way to achieve the full indoor/outdoor experience with panels that fold virtually out of sight when opened. A good solution for both residential and commercial buildings, folding doors are ideal when there isn't space for wall pockets or more than a single track, yet the largest clear opening possible is desired.

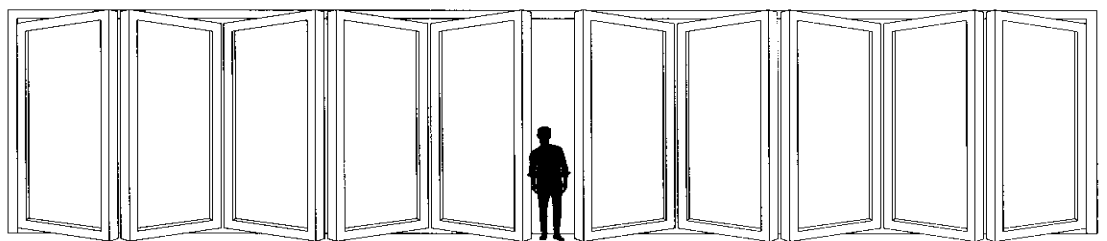

- Aluminum-clad wood construction
- Contemporary panel style available in widths up to 48" wide
- Traditional panel style available in widths up to 39" wide
- Pass-through window design available
- Doors built to fold out when opened and can open to the left, right or from the center to the left and right
- Rated for air, water and structural performance
- Top-hung system allows for easy operation
- FSB® hardware available for a sleek, modern look

– FSB® is a registered trademark of Franz Schneider Brakel GmbH & Co.

Built to fit openings
up to 40' wide

10-panel configuration
Two-directional (bi-parting)

5 Reasons

Why Viwinco is the **Right Choice.**

1

A Higher Standard.

Viwinco products are designed with energy efficiency, strength and durability in mind. From our glass packages to our vinyl, Viwinco products are manufactured with industry leading processes and components bringing you a higher standard for windows and doors.

2

Aesthetic Appeal.

With Viwinco products, there is no compromise between functionality and style. Our windows and doors are designed for performance and to complement the architectural styles homeowners look to achieve.

3

Maintenance Made Simple.

Our vinyl windows and doors are naturally resistant to the elements and do not require frequent care like other materials. Additional features such as our patented Tilt-n-Lock allow homeowners to tilt their windows inward for cleaning through single-handed operation.

4

Personalized Customer Service.

With over 40 years as a family-owned company, we deliver individualized attention, making Viwinco one of the most trusted names in the industry.

5

Industry Leading Warranty.

Viwinco products are backed by an industry-leading comprehensive warranty. Allowing homeowners to buy with confidence.

Replacement

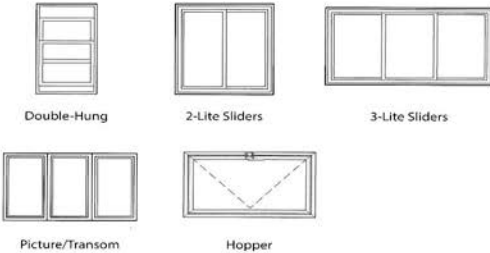

Viwinco's replacement windows combine energy efficiency, durability, and style to enhance your home. Whether you choose the cost-effective, high-performing Edgemont or the premium Cambridge line, you'll enjoy smooth operation and lasting reliability. No matter the project, Viwinco windows offer exceptional craftsmanship and long-term value for a smart, lasting investment.

Edgemont Windows "Better"

Edgemont windows offer affordable quality with durability and efficiency. As the "better" option in a Good, Better, Best lineup, they provide energy savings, smooth operation, and a sleek design. A smart upgrade for any home.

- **Energy-Efficient Glass** 3/4" double-strength IGU enhances insulation and reduces energy costs.
- **Smooth & Easy Operation** 1/2" stainless-steel balances ensure effortless operation.
- **Customizable Fit** 3/8" trimmable leg allows for precise adjustments during installation.

Style Options

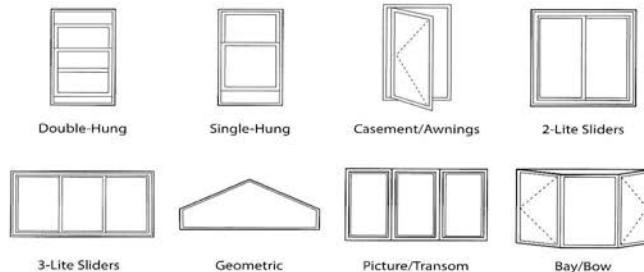

Cambridge Windows "Best"

For homeowners looking for top-tier performance, durability, and style, Cambridge is the ultimate choice in Viwinco's replacement window lineup. Designed for effortless operation and long-lasting reliability, it combines advanced features with a sleek, high-end look.

- **Energy-Efficient Glass** 15/16" double-strength IGU boosts premium insulation and durability.
- **Effortless Operation** Our patented Tilt-*n*-Lock technology provides easy operation and enhanced security for hung windows.
- **Smooth & Reliable** 3/4" stainless-steel balances ensure smooth, reliable window performance.
- **Lifetime Protection** Backed by a lifetime glass breakage warranty.
- **Sleek Design** Complements Viwinco's S-Series and OceanView windows.

Style Options

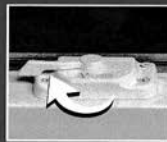

Tilt-*n*-Lock HARDWARE

Exclusive Technology

- One-handed operation
- Clean sight lines
- Easier cleaning

Standard on **Cambridge, S-Series** and **OceanView** single- and double-hung windows

Locked Position
Sash locks securely with reinforced tilt latches.

Unlocked Position
The lock disengages from the keeper, allowing the sash to lift.

Tilt-In Position
At 180 degrees, tilt latches clear the jamb, allowing easy sash tilt.

Unlike real wood, engineered wood, and fiber cement siding:

Everlast siding forever eliminates painting and caulking

Everlast siding is virtually impervious to water

Everlast siding is highly resistant to fading and discoloration

Everlast siding never bows, warps, splits, or swells

Everlast siding is insect-resistant

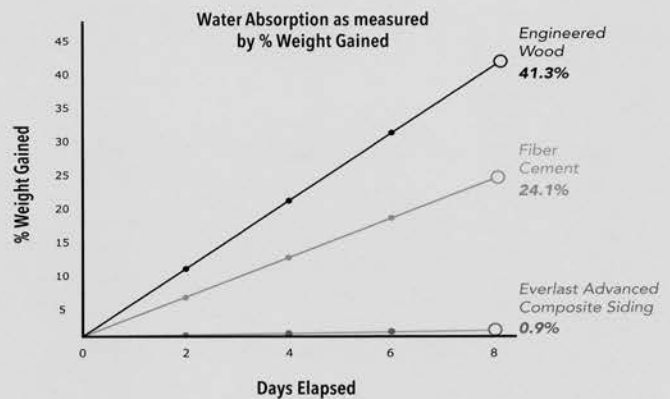

Everlast siding is ideal for wet and harsh climates

Everlast® Lap Siding
Flagstone

Siding's #1 Enemy is Simply No Match For Everlast

Testing to compare Everlast siding's water absorption rate compared to engineered wood and fiber cement reveals a dramatic difference. Everlast's absorption rate is negligible, while engineered wood and fiber cement require diligent maintenance to achieve effective moisture protection.
